

emanus

## COMPANY OVERVIEW

Emanus is a concierge intellectual property services firm. Founded in 2003, the firm provides patenting, innovation/ideation, commercialization, and licensing services. Emanus provides a clear view of the commercial viability and validity of ideas, including market attractiveness, participant behavior, identifiable opportunities, and execution strategies for commercialization. The firm reviews the market—including consumer behavior and technology insights—to guide overall intellectual property filing and development strategy.
